The list of clubs that qualify for this pennant is based on the last 10 years of entries, but if any club feel that they should be included as they have not raced in the last 10 years, they should get in touch with the WEH.

For any other queries regarding the list, please get in touch by 31st January, 2022.

Respecting the spirit of the small club pennant – we advise crews that pull together ‘super crews’ and wish to race under the banner of a small club are asked to notify the WEHoRR Committee and withdraw their crew from the pennant list.
